Rooms and who sleeps where

- [ ] **Standard and Preferred rooms are identical inside** - about 260 sq. ft. with 1 queen bed plus 1 queen-size table bed that folds down at night
- [ ] **Sleeps up to 4**, plus 1 child under 3 in a crib; a small number of king rooms sleep 2
- [ ] **Preferred** costs more for location only - closest to Cinema Hall, dining and buses: **Fantasia, Toy Story and 101 Dalmatians**
- [ ] **Standard** sections - **Mighty Ducks and Love Bug** - are quieter and a longer walk (up to about 10 minutes)
- [ ] In every room: beverage cooler, coffee maker, safe, hair dryer and free Wi-Fi. No microwave in-room - use the food court microwaves
- [ ] **MagicBands** give easy access - room door, park entry, dining plan and room charges, all on your wrist

Theming and vibe

- [ ] Five larger-than-life movie sections, two buildings each: **Toy Story, 101 Dalmatians, Fantasia, The Mighty Ducks and The Love Bug (Herbie)**
- [ ] Giant characters and props everywhere - this is the resort kids photograph most. Bright, playful and unmistakably Disney, with exterior hallways in motel style
- [ ] Everything centers on **Cinema Hall** - lobby, food court, shop and arcade in one main building

Good to know

- [ ] **Check-in 3pm, check-out 11am** - Online Check-In in the app lets you go straight to your room
- [ ] You can make a **room request** (section, floor, near transport) but it is never guaranteed - ask me to note your top pick
- [ ] Pack **rain gear** - Florida showers pop up fast, and walks to Standard rooms are all outdoors

Dining

- [ ] **World Premiere Food Court** - the only restaurant: quick-service stations for breakfast, lunch and dinner, with Mobile Order in the app. Mickey waffles in the morning; pizza, pasta, burgers and salads later
- [ ] **Silver Screen Spirits** - open-air pool bar by the Fantasia Pool for drinks and light refreshments
- [ ] **No table-service restaurant** on site - book sit-down and character meals in the parks or at other resorts
- [ ] **Donald's Double Feature** in Cinema Hall for souvenirs, snacks and vacation essentials; refillable resort mugs work at resort drink stations for your stay

Pools and fun

- [ ] **Fantasia Pool** - the main pool, with a Sorcerer Mickey fountain, plus a kiddie pool and water play area nearby
- [ ] **Duck Pond Pool** - quieter, hockey rink-shaped pool in the Mighty Ducks section
- [ ] Value pools have **no waterslides or hot tubs**; towels and life vests are provided, and pools are heated
- [ ] **Movies Under the Stars** at The Reel Spot, **Reel Fun Arcade**, a playground between Fantasia and Toy Story, and an approximately 1-mile jogging trail linking the three All-Star resorts

Getting to the parks

- [ ] **Disney buses only** - no Skyliner, monorail or boats. One bus stop, in front of Cinema Hall
- [ ] Buses run from about 45 minutes before park opening until about an hour after closing; at slower times the three All-Star resorts may share a bus
- [ ] You still get the Disney resort perks: **Early Theme Park Entry** (30 minutes early, every park, every day), the earlier dining and Lightning Lane booking windows, and complimentary overnight self-parking

Who it is best for

Best for: families with young kids who will be in the parks most of the day and want the full Disney bubble - theming, Early Entry and on-site perks - at Disney's lowest resort price tier. **Think twice if:** you want a sit-down restaurant at your hotel, a waterslide, multiple ways to reach the parks, or a larger room - a Moderate resort fixes all four for more money. Ask me to compare it with Pop Century and Art of Animation before you decide.

Not sure if Movies is the right fit? I will compare it for you.

- At busy park-close times the All-Star resorts can share buses or run long lines - leave a little buffer

- Set up **MagicBand+** for easy access - parks, rides, dining plans, room doors and room charges, all on your wrist
- Address: 1801 West Buena Vista Drive, Lake Buena Vista

Good to know

- Standard rooms are compact - the fold-up table bed is what makes the space work by day
- Request a room away from the Calypso Pool if your crew needs early, quiet nights
- Laundry rooms sit near both pools, handy on a longer stay

Best for

Families of **five or six who want one room on Disney property** - the Family Suites are the standout here, with two bathrooms at a Value price. Also a strong pick for music-loving families, youth groups and anyone who plans to spend most of the day in the parks and wants the Disney bubble for less. If Skyliner access or table-service dining at your resort matters more, compare Pop Century and the Moderate resorts on our resort pages.

Disney's All-Star Sports Resort

From Tiffany at Travel Magic Network. Personalized planning from first call to final itinerary.

Big, bold and playful - this is Disney theming turned all the way up. Giant surfboards, footballs, baseballs and basketballs anchor five sports areas, and kids love running courtyard to courtyard for photos.

At a glance: Value Resort · Animal Kingdom Resort Area · Sleeps 4 + infant · Bus to all parks · 1701 W. Buena Vista Dr.

Theming and vibe

- **Five areas:** Surf's Up!, Touchdown! (football), Home Run Hotel (baseball), Hoops Hotel (basketball) and Center Court (tennis)
- **Stadium Hall** is the hub - lobby, food court, arcade and gift shop in one building
- Lively and family-first - especially busy when sports teams and school groups are in town; laundry is by both pools

Rooms and sleeps

- **Sleeps 4** plus a child under 3 in a crib - about **260 sq. ft.**
- **1 queen bed + 1 queen-size table bed** that folds down for sleeping and folds up for daytime space; a king bed in select rooms
- Beverage cooler, TV and a compact bathroom - simple, clean and park-focused
- **Standard rooms** are farther out; **Preferred rooms** sit closest to Stadium Hall, the main pool and the buses - worth it with little kids
- **No family suites here** - parties of 5+ need two rooms, or ask me about a suite resort

Dining

- **End Zone Food Court** - the one restaurant, open for breakfast, lunch and dinner: burgers, pizza, pasta, sandwiches, salads and desserts, with mobile ordering
- **Grandstand Spirits Pool Bar** by Surfboard Bay Pool for drinks and light snacks
- No table-service restaurant on site - book park and Disney Springs meals for a sit-down night
- Disney Dining Plans can be added to a resort package - see our Dining Plan page

Pools and fun

- **Surfboard Bay Pool** - the main pool behind Stadium Hall, lined with giant surfboards, plus a kiddie pool alongside
- **Grand Slam Pool** - quieter, shaped like a baseball diamond, with Goofy spraying water from the pitcher's mound
- Complimentary towels and life jackets at both pools
- **Game Point Arcade** in Stadium Hall, a playground, a jogging trail linking the three All-Star resorts, and **Movies Under the Stars** on select nights

Getting to the parks

- **Bus only** - free Disney buses from the single stop by Stadium Hall to all four theme parks, both water parks and Disney Springs
- No Skyliner, monorail or boat from this resort - build in extra travel time and leave early for rope drop
- Buses are busiest at park open and close, and the All-Stars can share service at quieter times - a rideshare or Minnie Van is a good backup for early dining reservations
- Resort perks still apply: **Early Theme Park Entry** (30 minutes, every park, every day) and earlier Lightning Lane and dining booking windows
- Order **MagicBands** for easy access - parks, rides, dining plans, room doors and room charges, all on your wrist

Best for

- **Sports-loving families and teams** who want the theming front and center
- **Budget-focused, park-heavy trips** - you are paying for location and perks, not room size
- First trips with younger kids who light up at the oversized icons
- Less ideal if you want spacious rooms, multiple restaurants, or non-bus transport - ask me about Moderate and Deluxe options

Tiffany's tip: Request a Preferred room in Surf's Up! if short walks matter most, and pack rain gear - Florida showers pop up fast, and the walk from the bus stop to the far buildings is all outdoors.

Disney's Pop Century Resort

From Tiffany at Travel Magic Network. Personalized planning from first call to final itinerary.

Bright, bold and unapologetically fun - five decades of pop culture, from the 1950s through the 1990s, with giant icons at every turn.

At a glance: Value Resort · Sleeps up to 4 · Skyliner + bus · 3 themed pools · Food court + pool bar

The vibe

- A walk through **five decades of pop culture** - the 1950s through the 1990s, one themed area per decade across 10 buildings
- **Giant icons everywhere:** a Big Wheel, yo-yos, a Rubik's Cube, bowling pins - plus Lady and the Tramp and Baloo and Mowgli watching over the grounds
- Bright, bold and unapologetically fun - the Value resort that **feels most like a theme park** itself

Rooms and sleeps

- Refurbished rooms, about **260 sq. ft.**, sleep **up to 4** (plus a child under 3 in a crib)
- Most rooms: **1 queen bed + 1 queen-size table Murphy bed** - it folds up into a table by day, so the room lives bigger than it measures. Some rooms have 1 king bed (sleeps 2)
- **Standard vs. Preferred:** same room inside - Preferred puts you closer to Classic Hall, dining and transport. Pool View versions add a view, and a livelier soundtrack
- Smart storage throughout: room under the beds for suitcases, a beverage cooler, coffee maker and plenty of USB ports

Dining

- **Everything POP Shopping & Dining** - the big food court in Classic Hall: several stations for breakfast, lunch and dinner, plus grab-and-go. Mobile-order in the app to skip the morning rush
- **Petals Pool Bar** by the Hippy Dippy Pool for drinks and snacks on your pool afternoon
- **No table-service restaurant on site** - but the Skyliner puts Riviera and Caribbean Beach dining minutes away, and a short walk over the bridge reaches **Art of Animation's food court**
- Dining plan credits and refillable mugs work here as at any Disney resort - and **MagicBands** cover park entry, ride taps, dining plan, room door and room charges

Getting around - the Skyliner star

- The **Disney Skyliner** station sits on Hourglass Lake, shared with Art of Animation - gondolas glide to **EPCOT and Hollywood Studios** via the Caribbean Beach hub. For many guests this alone justifies the stay
- **Buses** cover Magic Kingdom, Animal Kingdom, Disney Springs and the water parks - and step in for EPCOT and Hollywood Studios when the Skyliner pauses for lightning or high winds
- Every guest gets **Early Theme Park Entry** - 30 minutes early into any park, every day

Pools and play

- **Hippy Dippy Pool** (1960s) - the flower-shaped feature pool by Classic Hall, with flower-jet sprays and a children's pool alongside
- Two quieter decade pools: the **Bowling Pool** (1950s) and the **Computer Pool** (1990s) - no slides at any of them
- **Movies Under the Stars**, campfire activities, the Fast Forward Arcade and a playground fill the non-park hours
- Walk or jog the trail around **Hourglass Lake**, and cross the bridge to explore Art of Animation

Good to know

- It is a **big resort - 2,880 rooms**. The 1980s and 1990s sections mean a longer walk to Classic Hall; a Preferred room is the fix if little legs (or tired ones) matter
- Prices sit at the **gentle end of Disney's range** - and Pop Century often sells out first on discount offers, so book early

BEST FOR

- Families and couples who spend their days **in the parks**, not at the hotel
- **Skyliner fans** - two parks by gondola at a Value price
- Nostalgia lovers, and kids who light up at **giant theming**

THINK TWICE IF

- You want a **table-service restaurant** or a quieter, more grown-up feel at your own resort
- Your party needs **more room to spread out** - four in 260 sq. ft. is cozy, and there are no suites here

Wondering if Pop Century fits your trip? Let's check it against your dates.
